

## PMEA MEDICATION ADMINISTRATION RECORD

\*A separate form is required for each medication, including asthma inhalers and epinephrine auto-injectors which are carried by the student for <u>EACH event in which the student will be participating</u>. \*The PMEA Medication Administration Record may be copied in the event the student may participate in multiple PMEA events provided the medication information is complete (or a prescription is attached), the chart has not been completed by a festival nurse <u>AND</u> the medication expiration date has not passed. If students require medication for a chronic condition, the school district's form on file in the school or nurses' office may be used. (It is suggested the PMEA Medication Administration Record is copied BEFORE a student participates in their first festival.)

(Please PRINT/TYPE all information below, except signatures; prescription may also be attached)

Student Name:				DOB:	1	/
Licensed Prescriber Name:						
Licensed Prescriber Address	:
